**No Admission Fee
Exhibitor Displays
Job/Volunteer Corner
Door Prizes
Refreshments**

The Caring Place, a partnership between The Community of the Blessed Sacrament (Scottsdale), St. Joan of Arc Roman Catholic Church (Phoenix) and St. Patrick Catholic Community (Scottsdale), and **The New Faces Partnership**, a collaboration of Scottsdale interfaith, government, private, and community organizations, are celebrating its *1st Annual Information Expo*.

Join us for this unique collaboration with local hospitals; health care providers; public and private entities; and non-profits. Older adults, their family members, caregivers and interested adults have an opportunity to learn about community resources. Participants are encouraged to ask questions about the many private sector resources and services available within our community.

This Expo is introducing a **Job/Volunteer Corner**. These booths will focus on helping with job search assistance, resume and interview coaching and employment counseling, as well as, educating attendees about available volunteer opportunities throughout the NE Valley, **The Caring Place's** partnering parishes and **The New Faces Partnership**.

For non-profits, agencies and businesses, the Expo presents the opportunity to introduce their services and detail the many benefits they can offer attendees. This is a "sales-free" event. Call Dr. Honora Norton, 480-948-8370/X223 or go to www.thecaringplacearizona.blogspot.com for exhibitor registration forms and exhibitor guidelines. Exhibitor booth reservation deadline is April 5, 2012. Retail sales of nutritional supplements will not be allowed.
