

The Cursillo Movement

In today's world can Christianity penetrate the many areas of secular life? Can it live there? Can it grow there? Can it transform the world in a way that is more fruitful than the past and in keeping with the times? The Cursillo Movement thinks so. It proposes no new type of spirituality, but simply a method through which one's spirituality may be developed, lived and shared in any area of human life where there are Christians willing to dedicate their lives to God in an ongoing manner. The method is introduced by a little course.

Cursillo is a Spanish word meaning "little" or "short course." It begins on a Thursday evening and ends the following Sunday night. During those three days, those attending live and work together listening to talks given by priests and laity. They also share the Eucharist and pray together.

The titles of the talks indicate their content: Idea, Grace, Laity, Faith, Piety, Study, the Sacraments, Action, Obstacles to a life of Grace, Leaders, Evangelization of the Environment, Christian Life, Christian Community, and Group Reunion. Each talk is followed by a discussion period.

A Cursillo is an encounter with Christ. That sounds too simple but it's not. Think about it. A real meeting with Christ. If that is understood then the power, beauty and joy of the Cursillo Movement will be understood. Interested? Attend one!
