In January, 2011, we will commitment to the Ministry of the Word for the upcoming year. Effective proclamation requires a profound dedication to study and a selfless willingness to improve our skills, as the Word transforms us and those we serve. We will be asked to reflect on our calling and whether or not we have the time required to fulfill this obligation.

Please note on the next schedule that the 5 PM Mass has been eliminated as the Youth Director has taken over the scheduling for the teens.

Thank you for your commitment to the Ministry of the Word and God Bless you.
