Extraordinary Ministers of the Eucharist

May 26, 2009

Dear Extraordinary Ministers of the Eucharist,

Attached is the schedule starting May 2, 2009 and ending July 26, 2009. The schedule will also be posted on the Parish website and extra copies will be available in the Sacristy.

Because of the current outbreak of swine flu in Mexico and spreading northward, Fr Pat has asked us to use extra precautions when serving Communion. Please wash hands before and after Communion to protect those whom you serve as well as yourself.

As you will recall, we implemented the new numerical sequence with the recent schedule. Overall, it appears to be working very well. We have received many positive comments from the Clergy. Lining up in front of the altar, shoulder-to-shoulder (2-3-4-5-6) prepared to receive and serve Communion as soon as the Priest has received both Body and Blood of Christ, has helped streamline Communion offsetting the purification of vessels now conducted by the Deacon and / or Celebrant.

Also, please remember to keep us up-to-date with your current phone numbers or email address.

As always, your service to this beautiful and most sacred Ministry is sincerely appreciated.

God bless,

Nan & Mike
