

The beginning of a new year is always busy and we are there again! Here are a few things we wanted to let you know about!

Outreach: The Parent Board is excited to announce our winter outreach activity! We will be collecting new, unopened Kid's Meal toys from fast food restaurants. The toys will be donated to Phoenix Children's Hospital to be distributed to patients. This is a great opportunity to teach our children about giving to others!

Beginning January 23rd, there will be a collection box on the sign-in table. The last day to drop off toys will be Ash Wednesday, February 22nd.

Thank you for your help!
Outreach Committee

Teacher Wish List

The teachers have worked REALLY hard at keeping our classrooms as germ-free as possible. With that being said, we are OUT of baby wipes! Here are a few things the teachers have asked if you could bring in whenever you're out shopping!

Baby Wipes, Glue Sticks, Lysol spray

Thank you!

Silent Auction!! We need your help!!

Thank you for working so hard at getting your class baskets and class projects ready! The themes sound GREAT! Please keep checking with your room parents to see if there is other help you can give to make these such a success.

We are in DESPERATE need of wine (and yes, it really is for the auction and not for the staff ☺)! Our wine connection fell through so we need wine! If you know someone who works in that kind of industry or if you have some extra bottles of wine laying around the house, please bring them into the school office!

Items to auction off are starting to roll in. Thank you for asking the businesses you frequent often! Remember, the items can be timeshares, salon services, home services, beauty products, frequent flier miles, airline tickets, anything you can think of! You can even join up with another family and create your own basket to auction off!

For those of you who participated in the Silpada jewelry party, Thank You! We are going to be able to get a few items to have in our auction! We really appreciate your support!!

Starting the week of February 13th, we are going to need volunteers to help setup the auction and get last minute things together. There will be sign-up sheets out in the sign-in/out area. Please know that any help you can give would be appreciated. We will even have a few things that you can do from home.

ALL assistance will help make this night a success! The tuition rate for the next school year depends on how well we do financially on February 17th. We do know that our tuition will go up a bit however, how much it goes up depends on the funds we collect this evening. It's up to you!

Dinner is going to be catered by Carrabbas!! We really appreciate all that Thomas and the Carrabbas team has done in the past and now to support our school! We will be having Pollo Rosa Maria (Cheese stuffed chicken with a lemon-basil mushroom sauce), Penne pasta, Caesar salad, and yummy dessert. We thank them for their generosity!

Knowing that you already have tickets to the event, you may invite your family and friends! Ticket sales are on-going and are \$30/person. Please see the office for a dinner reservation form!

If you have any questions, need more donation forms, or would like to know other ways you can help; please stop by the school office! Thank you.
